EXPERIENCE

Sugar Spice, Hewitt, TX — Barista

June 2022 - PRESENT

Prepares drinks, cooks boba, and serves food and drinks to customers. I also handle the cash drawer and make sure customers are delighted with what they order.

1102 Boba Tea, Waco, TX — Barista/Cook

June 2023 - August 2023

Prepared drinks, took out food, and ensured everything was what it should be. Followed a set of instructions on how drinks should be prepared properly, in a fast-paced environment. Left due to the long trip it required me to take to get there, but nothing specifically bad

EDUCATION

Texas State Technical College, Waco, TX — Graphic Design, Associates Degree

August 2022 - PRESENT

I am enrolled in a PBE (Performance-based education) course, meaning I have no class schedule to adhere to, I complete the assignments on my own time as long as it is before the end of the semester. This also means I tend to have a higher/more flexible availability.

Midway High School, Waco, TX — High School Degree

August 2016 - May 2020

Completed high school with a 3.7 GPA! Heavily participated in clubs, was a member of the BPA (Business Professionals of America), a member of the meistersingers (top of the school's choir program), and a member of the Advanced Graphic Design program. High school had heavily shaped my creative and social abilities and helped me become a more responsible person.
